Winnipeg Centre:	R.J. Lockhart, W.W. Wright (Pres.)

BIOGRAPHICAL NOTES ON CANDIDATES FOR ELECTIVE MEMBERS OF THE NATIONAL COUNCIL:

The names of three members appear on the ballot for election; these members have served on National Council for the past year. No additional nominations were submitted; the biographical information given last year on these candidates is not repeated.

OFFICE OF LIBRARIAN:

Dr. W. T. Tutte, Librarian for the past three years, has taken on the duties of Assistant Editor of the Canadian Journal of Mathematics and hence has found it necessary to resign from this office. Mr. Leonard A. Chester, a graduate of the University of Saskatchewan and holding the degree of Bachelor of Library Science from the University of Toronto as well, is the new candidate for Librarian.

HONORARY MEMBERS:

The following distinguished astronomers were elected by the National Council on January 6, 1961, to Honorary Membership in the Society:

Alfred Harrison Joy, D.Sc., a retired member of the staff of Mount Wilson Observatory and noted for his outstanding contributions to astrophysics while at Mount Wilson; his primary interest has been in the spectroscopic analysis of the very luminous stars.

Richard van der Riet Woolley, Ph.D., O.B.E., F.R.S., Astronomer Royal and Director of the Royal Greenwich Observatory, has carried out research in a number of fields and has achieved distinction in the study of the stellar populations and the dynamics of star clusters.
