Dear Mrs. Fidler,

Enclosed is the suggested copy of my next Bulletin, along with a copy of my mailing list. As you can see, I do not have a list of addresses for the officers of the society, nor an up-to-date list of the S.C.O.A. Perhaps you have lists that you could send me?

I am not familiar with your mailing system for Bulletins, so I do not know if you will find the following suggestion practical. For this occasion only, I would like to mail my own Bulletins from the Canadian Pavilion at Expo, with the special post-mark. I will pay for the postage, and will supply the envelopes, unless you wish me to use the R.A.S.C. envelopes. I believe that you mail to more people than are on my mailing list, and perhaps you could send me a list. Or, I could mail only to the people on my list, from Expo, and you could send out the rest from Toronto.

I start my holiday soon, and expect to be in Toronto about July 4th or 5th, so I will see you then.

Best regards,

Jim Low
