

ROBYN FORET

CANDIDATE STATEMENT

Hello fellow Members, Colleagues and Friends.

I am writing to announce my candidacy for a subsequent Term on the Board of Directors in the upcoming Election. I understand and meet the eligibility requirements of the position and agree to abide by the RASC Director's and Officer's Code of Conduct.

My work on the Board, along with my Director-peers, has been focused on some key initiatives that we can all be proud of. We created a comprehensive Strategic Plan and have executed that plan on a number of fronts. We have a new degree of Professionalism in our Society Office with critical Operations areas executed by Staff, we have a Robotic Telescope, we are finally moving our back-end and front-end web properties from a volunteer run donated structure to a cloud-based solution set with service level agreements (thanks to all of you who built and maintained that infrastructure for the past 20+ years!!), we own and manage SkyNews magazine, our Publishing business is thriving, our donations and grant funding model offers sustainability for the future, and we're attracting a younger and more diverse Membership than ever before.

So far its been challenging, rewarding and a privilege to serve this magnificent Society.

The work is not yet done and I hope that you will support my Nomination for the Board for another term where I promise to continue to do the good work alongside our very dedicated Board of Directors, our Executive Director and his Staff, our National Council, our Committees and of course all of you.

Thank you in advance for your support.
