

HARVARD COLLEGE
OBSERVATORY.

Cambridge, Feb. 24, 1894.

G. E. Lumsden Esq.

Toronto, Canada.

Dear Sir,

As it usually takes about two months to write to Peru and receive an answer, I have just received your favor of Dec. 26, which has been forwarded to me here. In reply to it I may say it will give me great pleasure to become a Corresponding Member of your Society. Thanking

you for the honor done
me, I remain,

Very truly yours,

W. H. Pickering.
