RASC Traditional Finest NGC Observing Program – Application

Congratulations on completing the Finest NGC Observing Program! In order to receive your certificate, please complete this form and submit it to:

Chair, Observing Committee Royal Astronomical of Society of Canada 2564 Ridgeview Drive Prince George, B.C., V2K 4A2 Email to observing@rasc.ca

Affidavit		Authentication:	
I,1.	do attest to the following: I have observed all 110 Finest NGC objects as defined in the RASC Observer's Handbook, and I wrote a detailed description of each object using high or medium power, or I sketched it. I have located each of the objects without assistance from a) other observers, or b) telescopes pointed with the aid of computers.	We declare that has qualified for the <i>RASC Finest NGC Certificate</i> based on our review of observation records and logs provided, as well as our personal knowledge of the applicant.	
3.4.	"traditional" manual finding methods. I am familiar with and have made the observations in accordance with the requirements and I am eligible for receipt of the certificate.	Witness 1 Date 1	Witness 2 Date 2
As evidence of the above, I am submitting either: 1. a declaration affirmed by two witnesses; or			
	a logbook or record of observations indicating the date and time of each observation of all 110 Finest NGC objects, the instrument used for each observation, and a detailed description or sketch for each of	RASC Centre 1 Address 1	RASC Centre 2
